## TAKS

**Analysis Group Marker** – An 'X' to the left of a group label indicates that performance results for that group are used to determine an accountability rating because minimum size criteria were met. If no 'X' appears, then the size minimums were not met and performance results for that group are not used to determine the accountability rating. Note that 'All Students' results for TAKS are always evaluated.

**Percent Met Standard** – This value is the key number for TAKS: it shows what percent of the student group passed that test.
